

## This Treasure has Power

But we have this treasure in earthen vessels, that the excellence of the power may be of God and not of us. *2 Corinthians 4:7*

You are a treasure.

Treasure is a person esteemed as rare or precious.

Our treasure is on the inside.

### I

As Servant Leaders, we must develop the art of tapping into the hidden potential of others. There is treasure hidden in are field.

God has called us to go into the field, and we are to seek the lost from every walk of life.

As this vessel of God, a container, that houses the glory of God, which is the power we need to share the gospel of Jesus Christ.

Yes, we are a treasure that has power because of the contents of our container.

### II

“But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me in Jerusalem, and in all Judea and Samaria, and to the end of the earth.” *Acts 1:8*

The work we have to do as Servant Leaders demands divine power.

Power, the Greek word, *dunamis*, which means power that is given or conveyed or conferred upon another. It refers to all the help or aid which the Holy Spirit would grant us.

The Spirit of God, gives us power for boldness in living, and to witness effectively the good news of Jesus Christ.

### III

Jesus Christ gave ordinary people the most extraordinary mandate: You shall be My witness.

To be a Witness:

- We go to the world with His authority, blessing and His Power.
- We go to the world carrying the message that Jesus loves, and has a plan for our lives.

Treasures with Power can bring great joy into our cities when we witness.

Case Study: Philip in *Acts 8*

God is waiting on us to Go into the world, and be the witness He has called us to be, as a treasure, with His authority, blessing and power.

Will you Get Out?

Will you share your story of what He has done for you?

Will you be the Treasure that has power?
