Journey Through the Bible

The Journey Through the Bible series is the continuation of the history of the Old Testament. This year, the series will begin with the books of I Chronicles and Esther. In I Chronicles we will focus on the genealogies that chart the lineage of Jesus Christ and the history of the reign of David and discuss how these have relevance in life today. We will also survey the book of Esther which documents the first attempt by a Gentile nation to exterminate the Jewish nation and how that attempt was foiled. To get the most out of the first class on September 19th, you should read I Chronicles 1-4. Pastor Edward Poindexter is the oversight for the series that will be taught by a team of teachers.
